Those who give significance to
TEHACHAPI HIGH SCHOOL

Dedicated to Mr. Carll

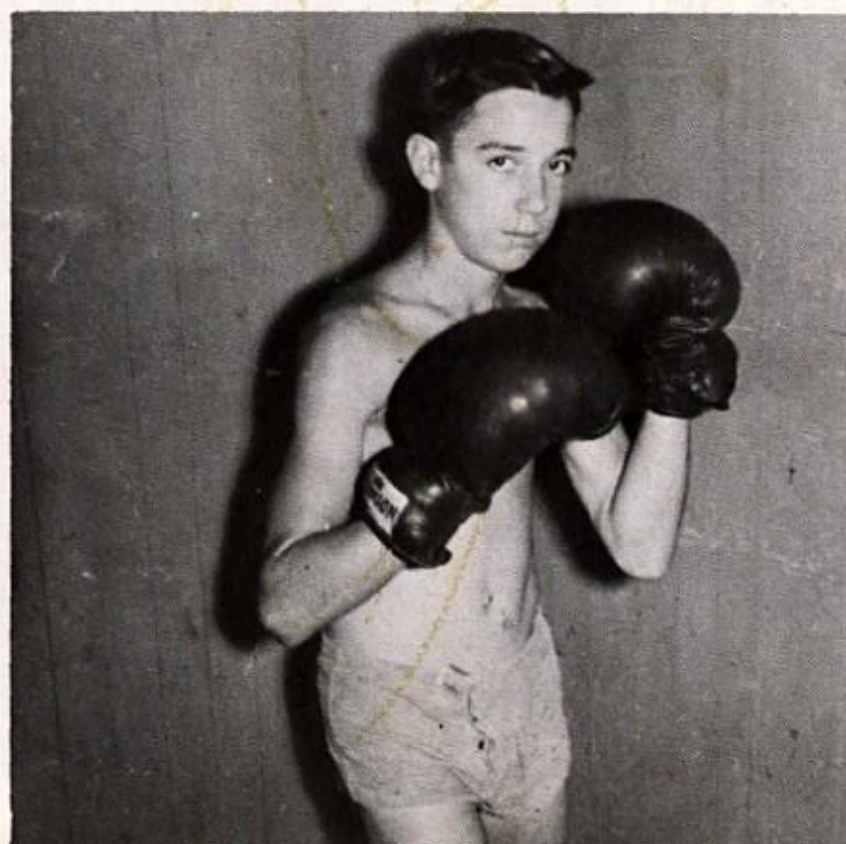

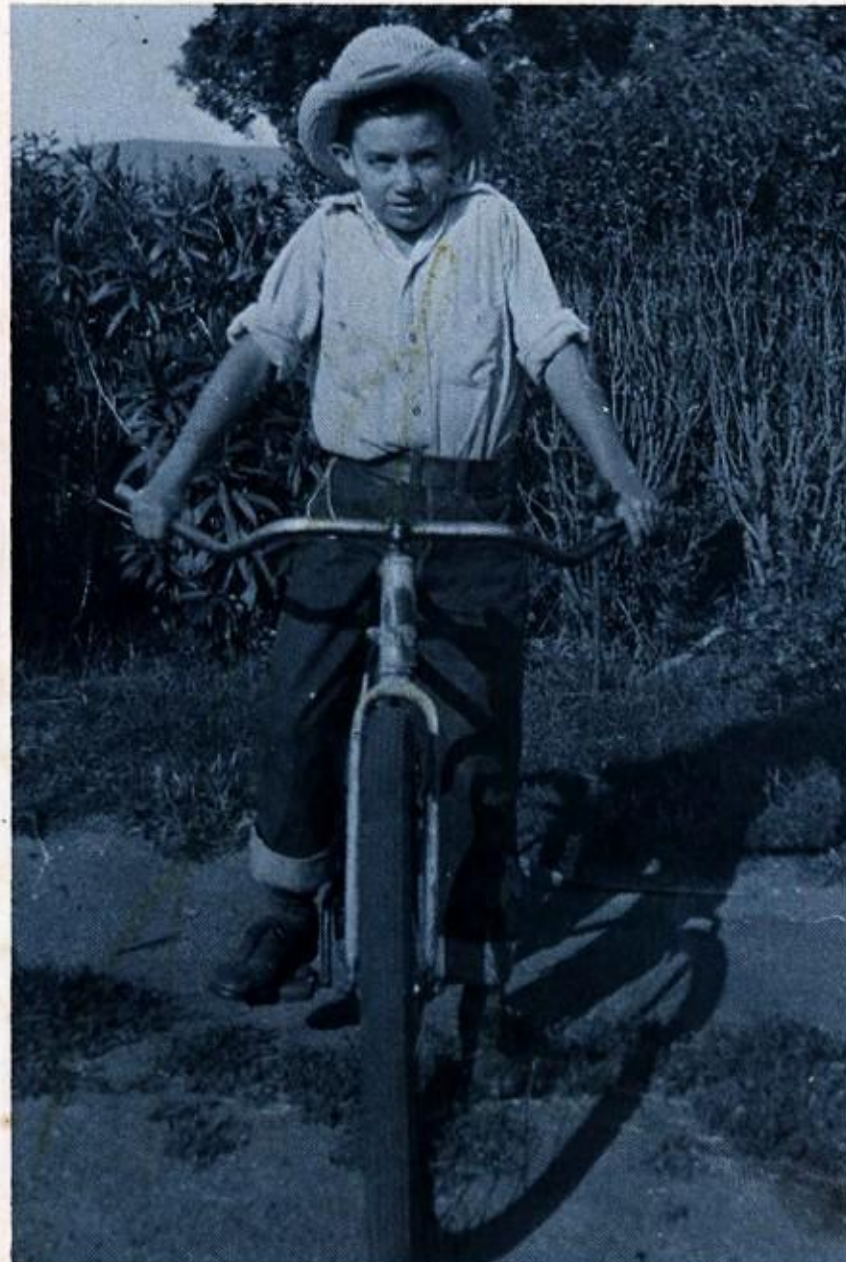

Mr. Carll: You are the person that has overlooked our forgetfulness, our carelessness and our inconsideration. You have made us look within ourselves; you have pushed us farther along the road to maturity. Your calm resolution and perspective of life have taken away our frustrations and substituted understanding. With your firm hand as a coach and vice principal has helped to mold us into young individuals.

With great respect and admiration, we the annual staff dedicate the 1970 TOMAHAWK to you.

1. As a family man.
2. At his leisure time.
3. As a child.
4. Getting married.
5. As a pro.
6. As a tuff football player.

The TOMAHAWK opens.
 Our trail stretches ahead.
 We look backward and see the
 winding road that has brought
 us here.
 We look forward toward a
 limitless future waiting just
 around the bend.
 Gratefully we remember those
 who first tread Tehachapi
 High's path.
 They established the traditions
 and blazed the trail for us.
 We pick up our packs and
 walk purposefully onward.
 There is much that still must be
 done and the trail is beckoning.

Julie Kavanagh 1969-70 AFS Student

Last year when I found that I had been finally placed with an American family, Tehachapi was an unpronounceable, unknown town, far away in that sunshine state of California. I also had little or no idea of my future family or school life there.

All these unknowns materialized in the nicest possible way. I immediately loved my new family, and was warmed by the very real welcome extended to me by everyone I met.

I have grown to know and love this school, the community and the beautiful golden hills; and when the time comes

I know that I shall be really sad to leave them.

I want to thank everyone for making me so happy here, and for making this the most rewarding and memorable year of my life.

The Annual Staff of Tehachapi High School is to be congratulated for their hard work and dedication that they are putting into this year's Yearbook. The Staff has shown good organization and the will to work together to preform this difficult task. Only a few people realize the amount of time and work that is involved for a group to put out a successful Yearbook as the Annual Staff of Tehachapi High School has done. I hope that this hard work and dedication has been a memorable experience and will benefit each of you in whatever field you wish to pursue. I am sure the student body and faculty of Tehachapi High School feel the same way about this fine Yearbook as I do.

Albert G. Roberts, Principal

Vice Principal

I would like to congratulate this year's student body and faculty for a fine school year.

The pride shown by the student body in the school and in themselves is exemplified in this year's Tomahawk.

To the seniors who will be leaving Tehachapi High School I hope the knowledge you have gained and the experience you have had while at Tehachapi High School help you in your future life.

To the Annual staff and Mr. Anderson I would like to extend congratulations on this year's Tomahawk.

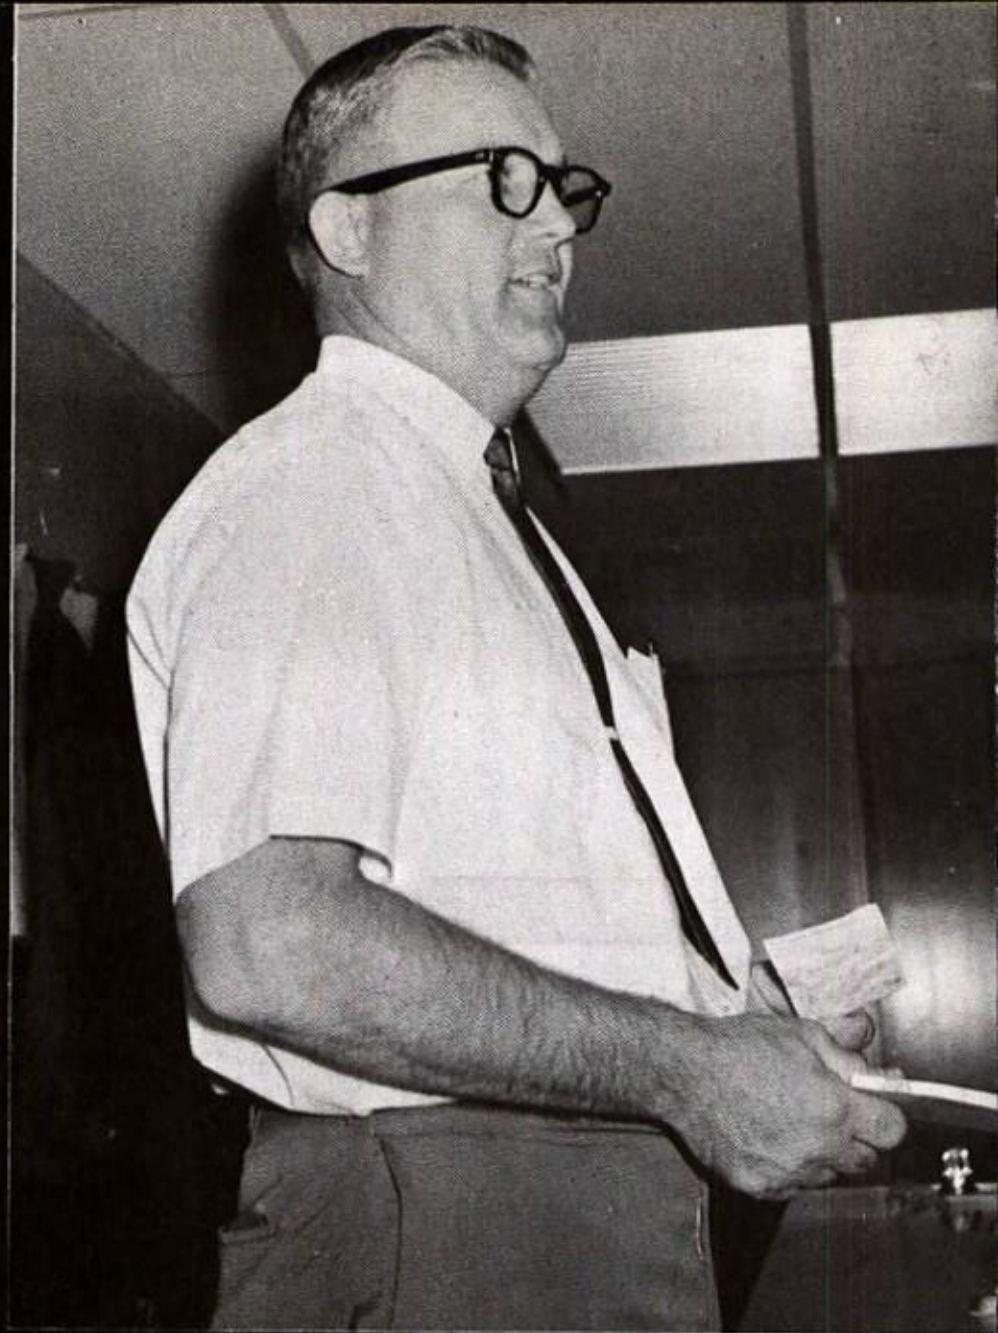

The imagination and work that went into producing this yearbook show in the finished product.

God never made a fish with fins
until He made an ocean for it to swim in.
God never made a bird until He made
an atmosphere for it to fly in.
And God never put the longings for
immortality in a soul until He made an
Eternal Kingdom to satisfy these longings.

ACTIVITIES

HOMECOMING 1969

Hours of Preperation....

....Make Our Homecoming
A Success

Our 1969 Homecoming activities began Friday afternoon with the gathering of firewood for the bonfire. We had a very exciting rally and to accent the weekend, our Warriors beat the Mojave Mustangs 12-7. The game's highlight was the crowning of Queen Kathy Bermudaz. Saturday night the dance was held, this completed a very enjoyable and successful Homecoming for 1969.

A black and white photograph of two young women, identified as freshmen, sitting at a table and working on a craft project. They are both wearing light-colored, short-sleeved shirts. The woman on the left has long, straight hair, while the woman on the right has her hair pulled back. They are focused on their work, with one holding a pair of scissors and the other holding a piece of material. On the table in front of them is a dark rectangular tray containing their project. To the left of the tray is a large sheet of paper with a diagram or drawing on it. To the right is a small, dark rectangular object, possibly a stapler or a hole punch. The background shows a window with a metal frame and some shelves with various items. The word "FRESHMEN" is superimposed in a large, stylized, serif font across the middle of the image.
